Inclusion Assistance

ACCORDING TO § 35A SGB VIII

Inclusion assistance is an important part of social support for children and young people with mental, physical or intellectual disabilities. The aim of this assistance is to enable young people to participate in social life and to support them in leading as self-determined a life as possible.

Integration assistance includes a wide range of measures that are tailored to the individual's needs.

Inclusion Assistance

INCLUSION ASSISTANCE , THAT HELPS

This includes, among other things

- School support: Support in everyday school life so that children and young people can successfully participate in lessons.
- Therapeutic offers: Promotion of emotional and social skills through targeted therapeutic measures.
- Leisure activities: Support with activities that promote social integration and personal development.

Inclusion Assistance

**INCLUSION ASSISTANCE ,
THAT HELPS**

**ACCORDING TO
§ 35A SGB VIII**

Our mission is not only to help young people overcome their challenges, but also to open up prospects for a positive future. Because every child deserves the chance to develop their talents and find their place in society.
